The fabric control wristband is adjusted and closed with a small metal bead. It is a reusable model as the bead allows it to be easily loosened and removed.

It can be used to control an event or a specific place: swimming pool, camping, holiday club, hotel, theme party, exhibition opening, sports competition...

A customisable fabric wristband

The fabric wristband is available in many colours and two widths (mix of colours for every 100 pieces). It can be personalized with a text, logo and/or image using the weaving technique.
