**Standard packaging** : 100 pcs bags

**Delivery time for personalised product** : 3 to 4 weeks

**MOQ for stock product** : 1.000 pcs

**HS Code** : 39 23 90 90

**Food compatible** : No

**Detectable** : No

**Possible Marking** : Yes

**Available colors** :

## Nylon reusable cable ties

These ties exist in 2 widths and several lengths :

Width (mm)	Length (mm)	Clamping diameter (mm)	Tensile strength (Kg)
4.8	125	25	22
	150	35	22
	200	50	22
7.5	300	80	22
	150	32	22
	200	50	22
	250	65	22
9	350	100	22
	450	120	22
	500	140	22

The above ties are available in stock in black and frosted. Other colours are available on request, depending on length and quantities : red, yellow, green, blue

The above ties are available in stock in black. They can also be available in frosted in 12 weeks. Other colours on request, depending on quantities.

These ties are compliant with UL94V2 norms. They have a good resistance to bases, oils, fats, oil products, solvents. They resist from -40 to 80 °C temperatures. Their tensile strength is about 22 kg.

They can be hot foiled or laser marked, depending on colours (text, steady or progressive numbering).
